Introduction:

Arooj Enterprises has been in existence since 1993 and has proudly achieved the status of most progressive and innovate company. The Company manufactures high quality Garments for exports to all over the world. The company focuses on friendly prompt service and supply of quality sporting goods at economical prices. We have established excellent contacts with our clients from around the world and they are fully sissified with us. Our market reputation and quality product range are the best guarantee for our clients. The company also believes in enacting those polices which works towards the benefits of our employees and towards the betterment of the environment.

Vision

"To accomplish market leadership through unmatched quality, a diverse and exclusive product mix, empowered employees, world-class systems, and the highest ethical and professional standards."

Mission Statement

Arooj Enterprises specializes in creating, developing and manufacturing of knitted garments right from the basic to highly fashioned garments. We convert conceptual ideas of our clients into reality by shaping them through technical skills, excellent man power and experience of 28 plus years. The motto of Arooj Enterprises is customer satisfaction at the highest level, which is achieved through topnotch technology, product knowledge and most importantly the right mindset.

Chairman's Message

Arooj Enterprises is a company that holds on to the preferred standards of manufacturing and quality, which ensures that each of our stakeholders receive the utmost value along with the finest that the industry has to offer. I myself have been deeply involved in every aspect of the organization and have learned that the commitment and devotion shown by every employee involved in our operations is proud to be part of this rising and persistently successful company. I truly believe in hard work and dedication as it always pays off and success follows naturally as an outcome. By the grace of Almighty we are recognized for our high quality products and prompt service, this goes without saying that we will continue with our efforts and keep delivering quality work. We look forward to take on new challenges and achieve new heights with plausible accomplishments in the future.
